

Pastor's Monthly Message

Grace Community Church

Dear church family,

This month, let us fix our eyes on Christ as we walk through both the joys and the challenges before us. God has been faithful in every season, and I am continually encouraged by the way this congregation shows up for one another in love.

Let's keep praying for one another, supporting our outreach ministries, and welcoming newcomers with open arms. I look forward to seeing you this Sunday.

Grace and peace,

— Pastor Michael Anderson
